EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Morris Liss on 7/15/05.

In claim 6, line 10, before "pallet", --the-- has been inserted.

In claim 7, line 2, the first occurrence of "mounted" has been deleted.

The above changes have been made to correct typographical errors in the claims.

Reasons For Allowance

2. The following is an examiner's statement of reasons for allowance:

Claims 5-6 has been allowed primarily for the platen frame adapted to encompass a pallet arm, the frame being vertically moveably mounted on a support; a lower platen movably mounted to the platen frame, being upwardly moveable and control means for allowing the frame and the upper platen connected thereto to move downwardly to abut the top of the pallet arm.

Claims 3-4 and 7 have been allowed primarily for the platen frame moveably mounted on a support for moving vertically relative to the support, an upper platen fixedly mounted to the platen frame and control means for allowing the frame and the upper platen connected thereto to move downwardly to abut the top of the pallet arm.

Art Unit: 2854

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
